Dearest "Tani"

You are one of the most
adorable girls I have ever had
the pleasure of knowing. You
are absolutely beautiful. I
think the world of you. Knowing
you has been wonderful. I hope
we get to know each other even
better next year. Love always

"Darling Tammie" Peg Liff

I can't tell you in
words how much you mean to me,
and what a wonderful inspiration
you have been the past few months.
I mean it when I say that you are
the "Girl of my Dreams".

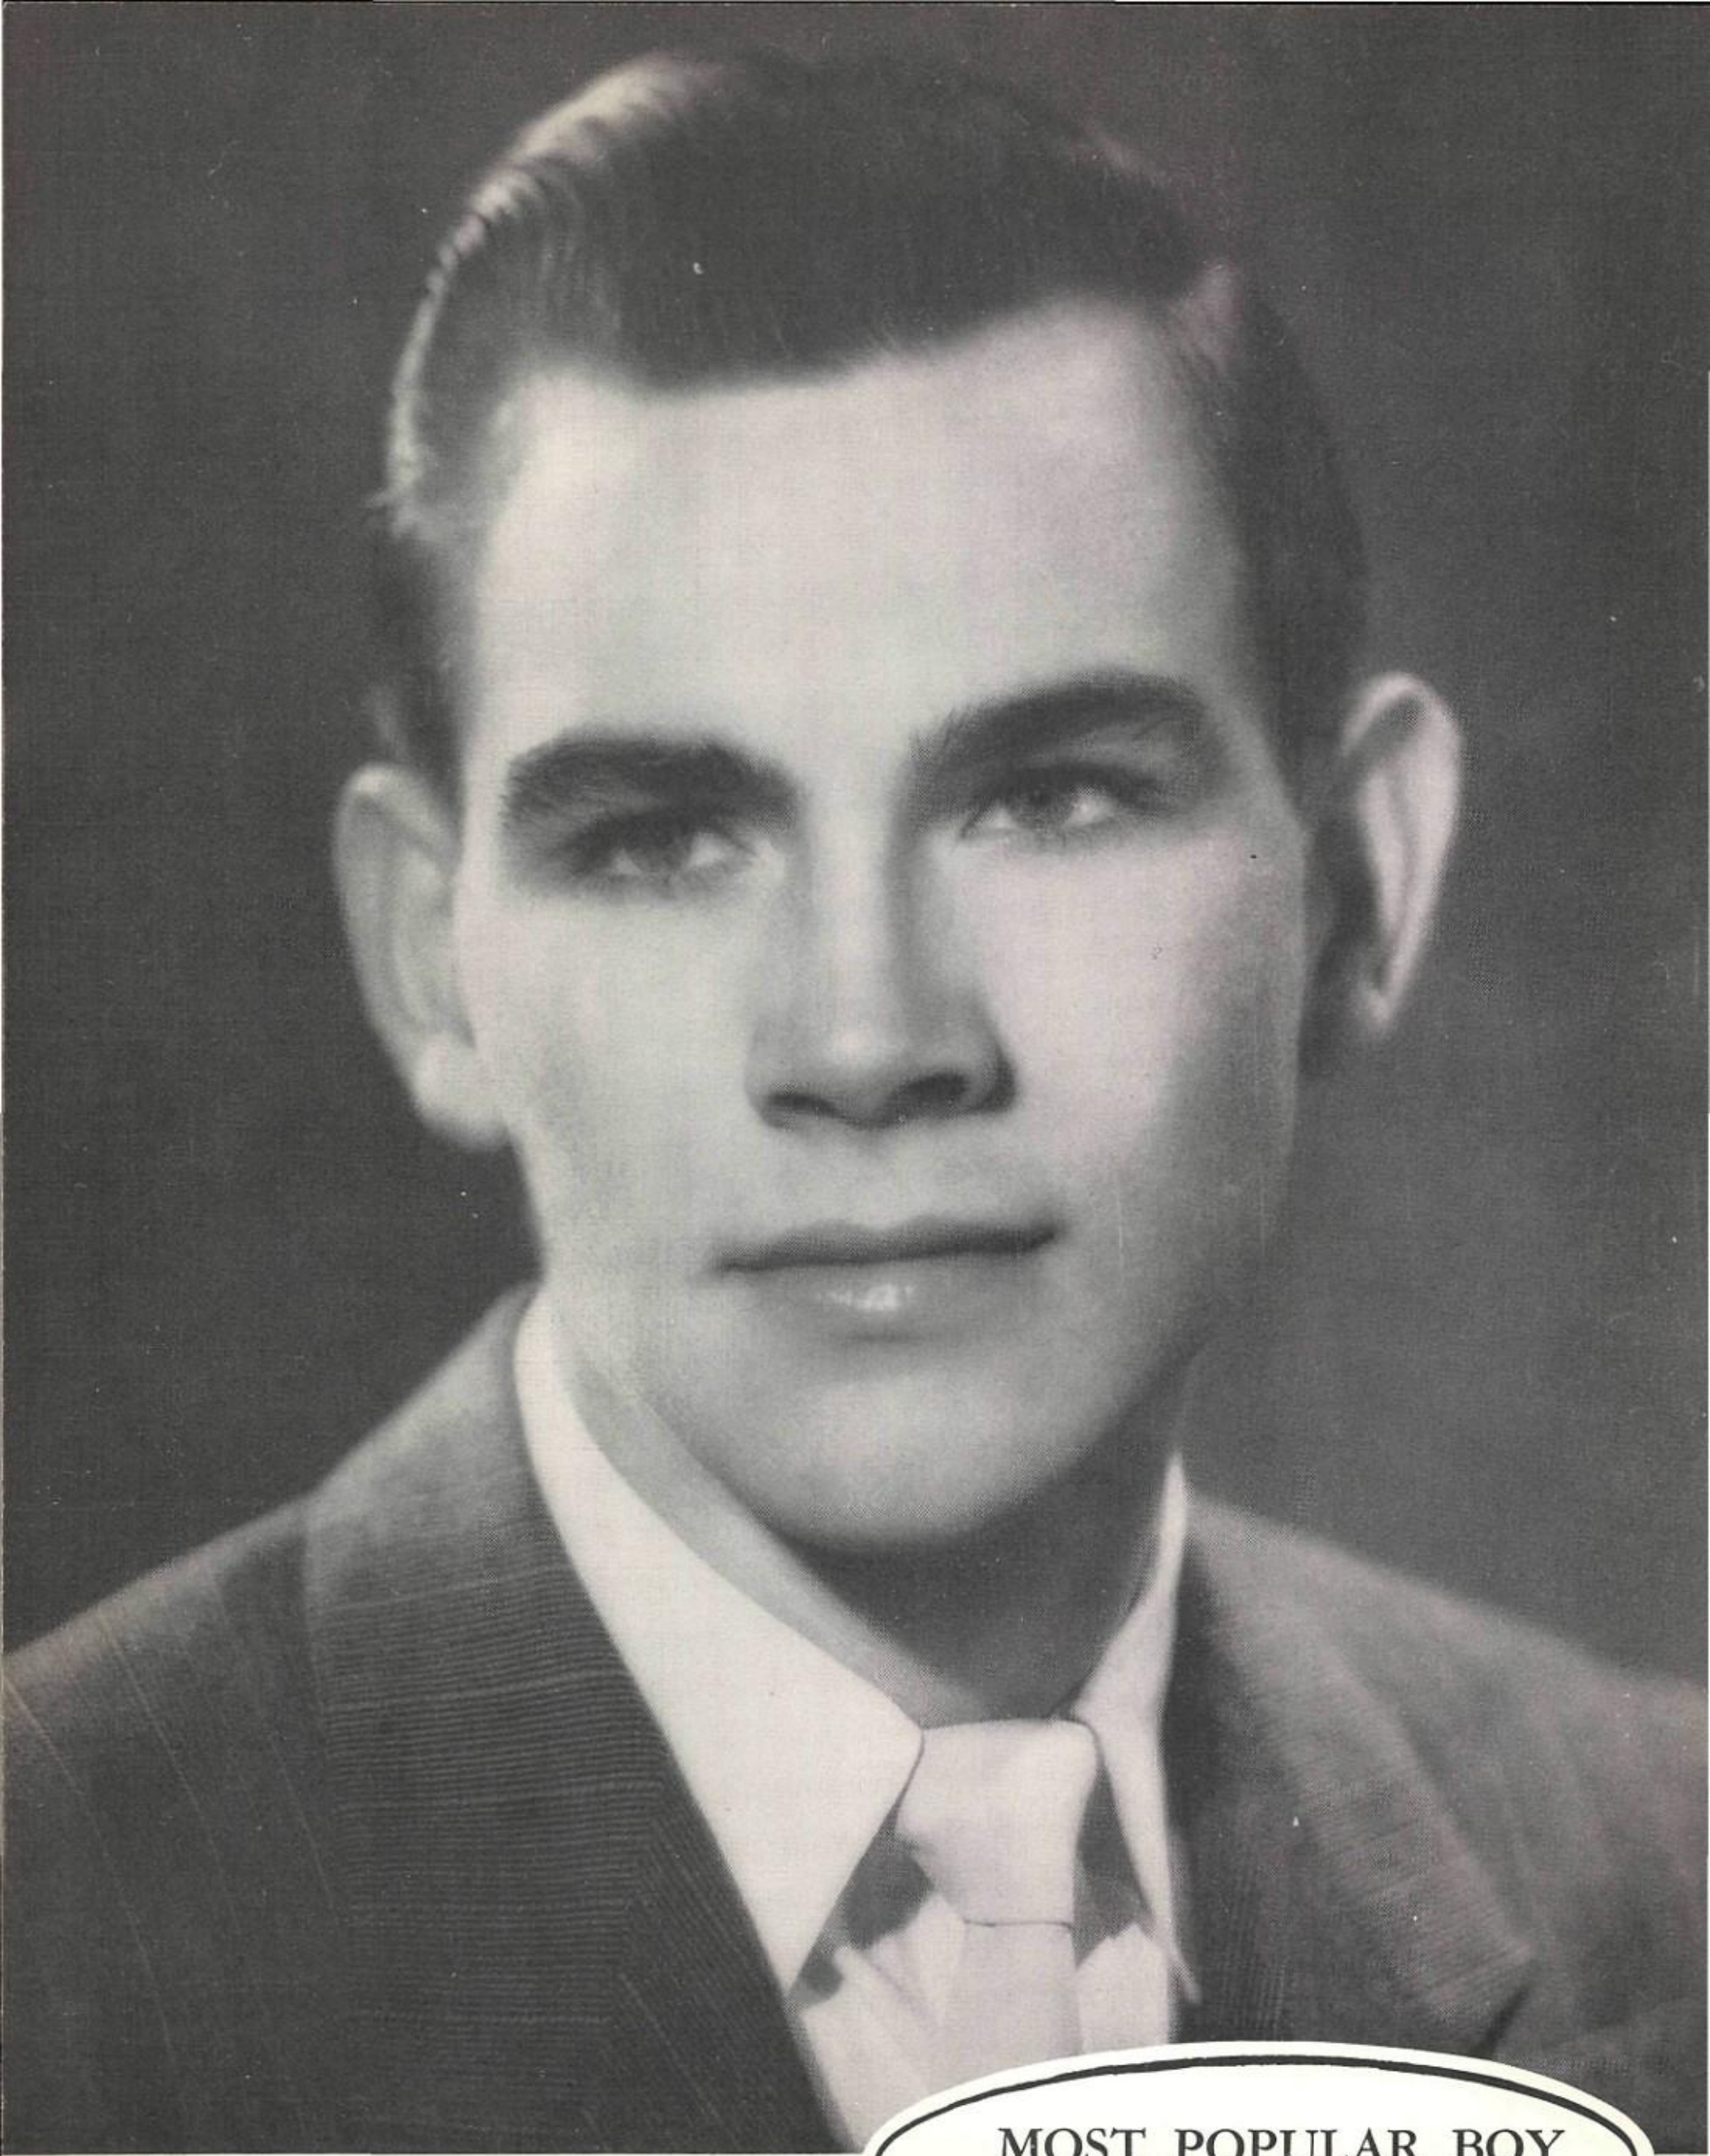

Going with you has been
one continuous laugh and good time
after another. You have given me the
feeling that I am the luckiest fella
in the world, whether you know it or
not. It has come to the point where
you are a joint-stockholder in a
dual co-operation and a holder of 50%
of the shares of my every thought.

I am looking forward to
"S. D. Day" especially, and until then, here
to a million laughs and good times with
a mutual compromise on the problems
that may drift "out our way."

I Love you, you beautiful doll.
To My "Body & Soul" girl Love Always

O. S. CASTLEN'S ANNUAL FOOTBALL BANQUET

Sports

THE SPORTS YEAR AT NORTH DALLAS

The Bulldogs, with but five returning football lettermen, came through with a team that wouldn't say quits until the final gun sounded. They suffered some disappointing setbacks, but in true Bulldog spirit they bounded back fighting. When all-city selections were made, North Dallas placed Phil Randol, who typifies the Bulldog spirit, on the first eleven.

The North Dallas Basketeers completed their most successful season in history with a record of 19 wins in 22 games. They won the preseason Dr. Pepper invitational tournament and went on to win the city series. This was the first time that the Bulldogs have won the city crown. Following the city series the canines journeyed to Houston to participate in the City Conference State meet. In their first game at the meet the Bulldogs suffered a heart-breaking defeat at the hands of Brackenridge of San Antonio by one point. Four of the North Dallas hoopsters made the various all-city fives. They were: Don Hanks, John Gibbs, Hammon Brown, and Howard Slaughter.

As the Viking goes to press the track time has just begun competition. With two returning lettermen, the Bulldogs show promise of a successful season.

Baseball, with only one returning letterman, Darrell Hughes, and sixty new candidates, is looking forward to a tough but successful season.

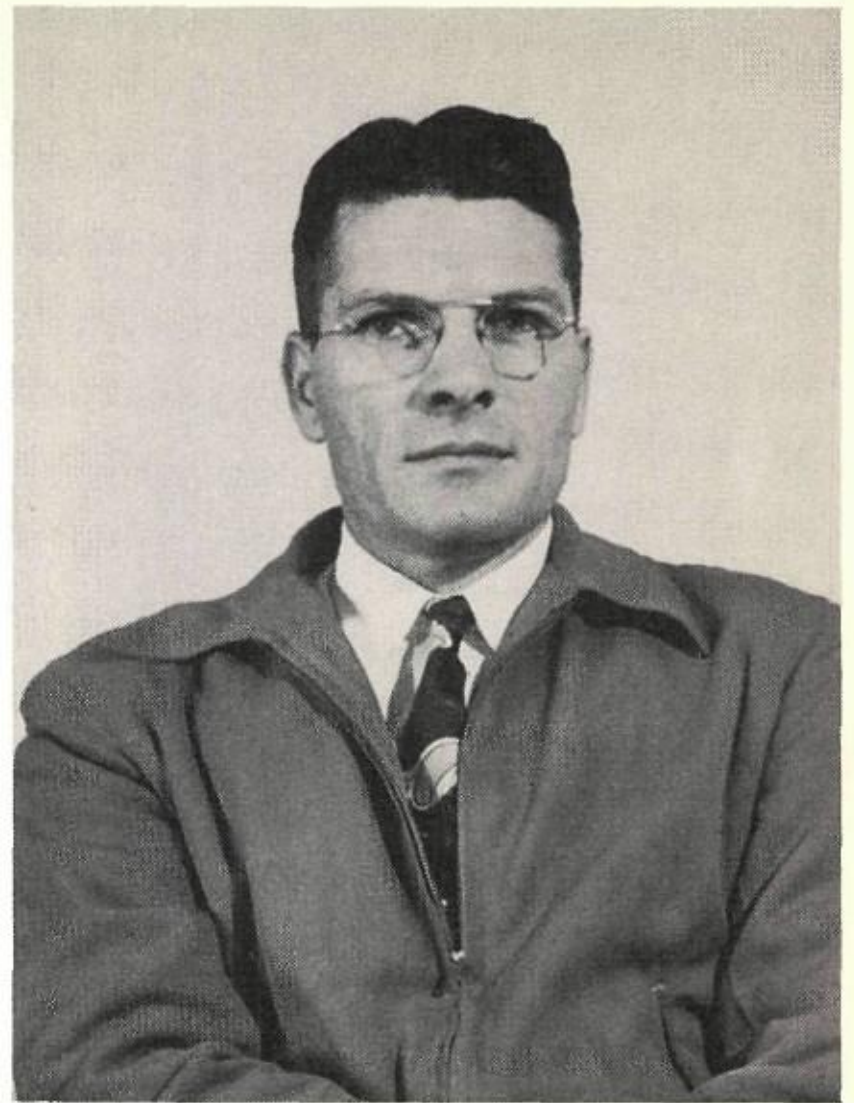

The tennis team has two returning lettermen, Avon Malone, and Jimmy Bond, squadman Beryl Dulnig, and forty new candidates, hope to maintain its usual high rank in city and state competition.

Golf expectations are good with letterman Charles Sanders heading a well-rounded team. An excellent season is forecast.
